## Student Section

Your go-to resource to getting started in the dental hygiene profession in Ontario — [www.odha.on.ca](http://www.odha.on.ca)

Whether you're a dental hygiene student just starting out or a new graduate, the student section of the ODHA website has valuable information helpful to you. Below, you'll find a brief overview of the information you will find online. For the complete and detailed information, please visit [odha.on.ca/students](http://odha.on.ca/students).

### Registering with the CDHO

To practice dental hygiene in the province of Ontario, a person must be registered with the The College of Dental Hygienists of Ontario (CDHO). Only registrants of the CDHO can legally use the title “dental hygienist”, or a variation or abbreviation in Ontario. In this section, you'll find information on educational requirements and NDHCB Exam preparation. Learn about the importance of malpractice liability insurance and how to get your FREE malpractice insurance that is included with your ODHA student membership, valid for the remainder of the calendar year in which you graduate.

### Getting the Job

Learn valuable job search techniques including utilizing job boards, networking, social media, and reaching out to the hidden job market. Find other helpful information like locating career services within dental hygiene schools, resumé and CV preparation, interview skills, self-marketing, and salary expectations.

### Transitioning from School to Practice

Find all the information you need to make the school to practice transition including CDHO registrant resources, self-initiation and use of orders in the dental office, standing order templates, self-initiation of dental hygiene services, and networking for mentorship. You'll also find information on how to collaborate with other professionals. It is important for new grads to research services offered by health-care providers in their workplace's community, in order to establish relationships with colleagues who can be consulted for guidance, information, and client referral.

### Practice Settings

From general dental practice to specialty dental practices like orthodontics and independent dental hygiene practice, you'll find all the possibilities available within the profession.

### Student Award

The ODHA highlights excellence in dental hygiene advocacy, and awards up to two students annually, recognizing outstanding advocacy efforts locally or provincially. The cash award is valued at \$500 each. Find all the nomination information online including the award description, nomination process, and selection process.

As a student member of the Ontario Dental Hygienists' Association (ODHA), you have coverage for professional liability (malpractice) insurance for the remainder of the year of your graduation at **NO** cost. This benefit is part of your free student membership and is required for registration with the College of Dental Hygienists of Ontario (CDHO). The CDHO is your regulatory body and provides the *certificate of registration* that you need if you are planning to practice in Ontario.

Your insurance certificate will be available to you on our website [www.odha.on.ca](http://www.odha.on.ca) when you are in your graduating year. To access it – log in; go to “my account” – “my insurance” tab. You can print and provide the certificate to the CDHO when completing your registration.

If you need assistance please contact us at 1.800.315.6342.

## Professional Liability Insurance for Ontario's Dental Hygienists

In your career as a Dental Hygienist, you'll face a number of risks. Unfortunately, some things are simply out of your control. Even if you do everything right, **clients can be interesting**, and misunderstandings happen. In today's society, misunderstandings translate to legal actions with the power to devastate your professional reputation and finances. Issuing a simple statement of defence can often cost as much as \$10,000 though you may not be at fault.

### ..... We can help.

PROLINK and the ODHA have partnered to develop a Professional Insurance program, tailored to your unique needs. Our program **exceeds the by-law requirements of the College of Dental Hygienists of Ontario** and will help defend you from claims made against you as they relate to professional negligence, omission of information, or other errors within your scope of practice as a Dental Hygienist.

### Coverage highlights include:

- ✓ Funds to defend yourself from disciplinary actions with the College;
- ✓ Reimbursement for lost earnings when you are asked to miss work to attend trial or pre-trial proceedings (up to \$750 per day);
- ✓ Legal defence costs associated with criminal suits, provided you are found not guilty;
- ✓ Legal defence costs associated with civil suits;
- ✓ Therapy and counselling of a sexually abused patient;
- ✓ Funds for cyber and privacy breach claims;
- ✓ Protection from libel and slander allegations;
- ✓ And more!

**If something were to occur—there is no need to panic.** PROLINK will support you from the moment you receive news of a complaint, legal suit, or charge until you come through the ordeal with your reputation intact. Call us at 1 800 663 6828 or email us at ODHA@prolink.insure if you need our help.

To apply, you must be a member of ODHA in good standing.

Visit the ODHA website at [www.odha.on.ca](http://www.odha.on.ca) or [prolink.insure/ODHA](http://prolink.insure/ODHA) for more information.
