

June 12, 2020 Update

Weekly COVID-19 online updates

ODHA posts a weekly update to the [COVID-19 update page](#) every Friday. This is in addition to the email broadcasts sent to members. The June 12 update is now posted. We encourage members to check the [COVID-19 page](#) for updates weekly and stay informed.

Webinar - The Evolution in Viral Control

Oral Science is hosting a free webinar – *Feeling Sick Isn't an Option: The Evolution in Viral Control with Cold & Flu Guard™ with Flavobac™*. Join Dr. Michael Glogauer, Head of Dental Oncology, Princess Margaret Cancer Centre, as he leads a discussion on critical viruses, the impact on the oral health practice setting, and the role of Cold & Flu Guard™ with its patented complex of bioflavonoids Flavobac™, to coat, isolate, neutralize and destroy viral envelopes.

The webinar will be presented on three different dates and times. You can register and choose the date best for you. Learn more and register [here](#).

To increase accessibility, COVID-19 email communications will be posted on the [COVID-19 update page](#) on the ODHA website.
